

# Agriculture Careers Expo

“Paddock to Plate, Vine to Glass”

Thursday 8 September 2016

Location: Anzac Hall and Piper Pavilion @ Prince Alfred College

Careers in the Australian agriculture industry are very promising with a shortage of university graduates to meet demands. Jobs are diverse and suit a wide range of student interests. Careers could be forged as a Wine Maker, Primary Producer, Food Scientist, Food Production/Food Entrepreneur, Brewer, Research Scientist, Forensic Scientist, Laboratory Technician, Agronomist, Ag Engineer, Innovative Food Designer, Diesel Mechanic and more. Learn about what's on offer from the people in the know!
