Bookings

Families must pre-book the days they would like their child to attend Vacation Care. Your child can attend as few or as many days as needed. Children can attend for a full day or just half a day.

To enrol in our Vacation Care program visit stpetersgirls.sa.edu.au/vacationcare. A Registration Form (including medical details) is required for every child who attends Vacation Care prior to their attendance at the Service. If you have not already completed the Registration Form, you can download a copy from the website.

Book early as places are limited. Please note numbers for sessions shall not exceed 41 children.

Once available places have been filled, no further bookings can be accepted. Waiting lists are available. Confirmation of booking notices will not be sent home; however, if any session is booked out and no place is available you will be contacted by the OSHC Director, Beck Kranz.

Cancellation fee

Advice of cancellation is required with 48hrs notice to avoid being charged for that session.

Late Booking Fee

In order to finalise staffing, please finalise your bookings by **no later than 4pm Wednesday 7 December**. All bookings made after this time will incur an additional **late booking fee of \$5.00**.

What to bring

Children will need to bring their own hat, recess, packed lunch and water bottle each day (unless stated in the program). Morning tea and a healthy afternoon snack will be provided except on excursion days. Due to allergies, parents are asked to provide snacks and lunch that do not contain nuts.

An additional fee of \$5.00 per person will be charged to family's accounts when children do not have lunch and it is provided by OSHC.

Excursions

Families will be advised of the departure time on excursion days. Please ensure your child is here by the designated time on these days as we are usually on a strict schedule and have plenty of processes to work through with the children before we leave.

Depending on the location of the excursion and staffing arrangements, we are not always able to separate groups of children in order for them to purchase gifts or food and therefore ask that you do not send money with your child unless OSHC staff have advised you to do so.
