**ST PETERS
GIRLS**

Beyond parents and guardians, our girls also treasure the influence of grandparents, aunts, uncles or friends of the family. We aptly name these special people 'Our Saints'.

Our Saints provides opportunities to those who have a connection with our girls to be more involved with the School community through various means, ranging from volunteering your time, to subscribing to our publications such as *eNews* and *Saints Alive*.

Our Saints' community members are encouraged to share their ideas, choose events they would like to be part of and discuss ways they would like to be involved in our extended community. Your participation is welcome in any capacity you choose, there is no minimum requirement involved.

If you are interested in being a part of *Our Saints'* community, please complete the form overleaf. We look forward to welcoming you to our extended community.
