

**We're giving old
shoes a new purpose**

An initiative by

- 1** Customers drop off pre-loved sports shoes at the designated disposal bin at participating retail locations.

- 4** Reclaimed materials are used to manufacture new products such as gym mats, floors and playgrounds.

- 2** Donated footwear is collected and sent to the recycling plant for sorting, breakdown and processing.

- 3** Reusable components are extracted including rubber, leather and fibres at the recycling facility.
