

# Vacation Care Program

Booking Form: October 2017

The sessions during the Vacation Care Program will be similar to a normal day in the ELC. Children will have the time and space to extend on their projects within smaller sized groups. Our program will offer a range of creative and inquiry based experiences, using both indoor and outdoor spaces. Children will be able to participate in gross motor programs, picnics on the lawns and music and dance experiences.

Children will need to bring their own packed lunch, a hat, sunscreen and a water bottle each day. A late afternoon healthy snack and drink will be provided. Due to allergies, parents are asked to provide snacks and lunch that do not contain nuts.

Families must pre-book the days they would like their child to attend the centre. Your child can attend as little or as much as needed and days can be selected to suit your schedule. Retain this section for your records. Confirmation notices will not be sent unless a session is booked out.

**Note: Regular ELC programs will commence from Monday 16 October 2017.**
