Vacation Care

Program – April 2016

For Primary School aged boys and girls (from 5-12 years)

CSIIC
Out of School Hours Care

The next instalment of our Vacation Care program is coming up in the school holidays. Children from the wider community are also warmly welcome to attend any of the activities.

Bring a friend – the more the merrier! We encourage you to come along, try our program and bring along a friend to share the day with.

Whatever the choice, children can enjoy a range of planned play and leisure experiences, practise social skills and solve problems in a safe and relaxed atmosphere.

There is a range of enriching activities on offer for girls and boys.

Families must pre-book the days they would like their child to attend Vacation Care. Your child can attend as few or as many days as needed and days can be selected to suit your schedule and commitments. Children can attend for a full day or just half a day.
