

# CSIRO Science Bootcamp

CSIRO EDUCATION & OUTREACH  
www.csiro.au

Keep your brain working these school holidays.

Spend two days exploring acoustics, sound, and personal electronics with CSIRO. See CSIRO labs and testing facilities, meet and chat with research scientists, explore sound studies and take home your own amplifier.

## Science Bootcamp (must be in Years 8-10 in 2017)

**Dates:** Thursday 27 – Friday 28 April 2017

**Time:** 10:00am - 4:00pm

**Venue:** CSIRO Waite, Waite Road, Urrbrae, South Australia

**Cost:** \$250 for 2 day course

A unique chance to go behind the scenes of Australia's premier research agency, CSIRO. In this program, you will:

- Visit CSIRO research laboratories - see the latest research in action.
- Participate in discrete lab experiences – act as a forensic investigator.
- Attend researcher presentations - meet the scientists behind the headlines.
- Challenge yourself with open-ended investigations – design and craft your own audio amplifier to take home and receive further instructions to continue your investigations.

Places are limited.

Book now at [www.csiro.au/Bootcamp](http://www.csiro.au/Bootcamp)

For more information, go to [www.csiro.au/Bootcamp](http://www.csiro.au/Bootcamp), phone 1300 136 376 (cost of a local call) or email [education@csiro.au](mailto:education@csiro.au)

We look forward to seeing you in April.
