## St Peter's Girls' School **Strategic Direction** 2020 - 2022

Core Goal: Instil our values and encourage participation and innovation beyond the classroom.

**Priority 1:** Offer a range of activities that allow girls to broaden their experiences and further develop their skills.

Priority 2: Monitor participation to encourage a balanced approach to school life.

Supporting Goal: Build upon our 125 year history and ensure that the School thrives for generations to come.

**Priority 1:** Ensure the St Peter's Girls' School identity is synonymous with excellence across all facets of the organisation.

**Priority 2:** Nurture and extend the culture of philanthropy.

SUSTAINABLE ORGANISATION

**CO-CURRICULAR** 

Core Goal: Provide a rigorous and innovative academic program that allows graduates to meet the challenges of the future.

**Priority 1:** Encourage creativity in our students and teachers through our curriculum design and delivery, our dynamic signature programs, and our professional learning priorities.

**Priority 2:** Gather and use data to track student progress and improve classroom practice.

Our Values St Peter's Girls' Courage

ACADEMIC

School inspires women of character and influence, fostering the next generation of leaders

Compassion

Creativity

**Core Goal:** Deliver a holistic program for wellbeing that supports our girls now and into the future.

Priority 1: Implement a school-wide student leadership development program.

Priority 2: Establish a futures-focused and personalised careers program.

Supporting Goal: Attract, develop and retain outstanding staff who model and inspire lifelong learning.

**Priority 1:** Foster a culture in which staff are intrinsically motivated to improve.

Priority 2: Become a leader in research into girls' education.

Supporting Goal: Provide inspiring learning spaces for the next generation.

**Priority 1:** Review current facilities to ensure they enable outstanding curriculum and co-curriculum delivery.

**Priority 2:** Commence delivery of the new 2020–2030 Master Plan.

Supporting Goal: Foster relationships from a local to a global scale to extend the opportunities available to our girls.

Priority 1: Form alliances with scientific, artistic and social entities to enhance our girls' learning.

Priority 2: Support a meaningful service learning program with instruction and reflection.
