

**MEDIA RELEASE – MARCH 2020**

**ATTENTION SAINTS GIRLS' COMMUNITY**

As a requirement of the new SACE Stage 1 Drama course, a group of Year 10 and 11 students have come together to create a drama company known as Ten Point Five Productions. Whilst this is a 'fictional company' we will be creating REAL work and look forward to sharing this with you.

**OUR MISSION:**

---

**RELATE**

Ten Point Five Productions is passionate about relating to our intended audience and raising awareness of contemporary issues which we want to explore through various forms and techniques of drama.

**CREATE**

Ten Point Five Productions aims to create two original performances over the course of the year, a movie and a play. We will engage with the dramatic process to work on all aspects of creating our performances.

**FASCINATE**

Ten Point Five Productions wants to wow you! We want our work to fascinate and capture the imagination of our audience. We hope to leave you with a greater understanding of our generation.

Please keep an eye out for more information about our upcoming performances.
