SCHOOL HOLIDAY MUSIC WORKSHOPS FOR TEENS

Description

This 3-day program, led by a team of music professionals, empowers teens with the knowledge of how to create their own song demos from scratch. Using the widely-available Digital Audio Workstation Garageband, instructors will lead participants in interactive lectures, creative activities, vocabulary lessons, group discussions, and collaborative exercises with the goal of completing an original demo from scratch by the end of camp. Each workshop will be capped at 10 participants to ensure a quality learning experience for each individual.

Age Group

Year 8 - Year 12

Workshop Objective

To inspire, empower, support, and elevate community teenage musicians of all backgrounds, experience, and goals in a professional recording studio environment.

Participant Outcomes

- Hands-on experience in a professional recording studio
- Introduction to the fundamentals of music theory, music production, and recording
- Structural knowledge of songwriting
- Original demo in a Digital Audio Workstation
- Creative collaboration

Location

Songbird Society
106 Gibson Street
Bowden, South Australia, 5007
